I want to reiterate how important it is for all of us to be respectful, kind and courteous tonight. With that said, I will be strictly adhering to our public comments policy BDDH. We will keep the comments to 4 minutes. You will hear a bell chime when there is 30 seconds left of your time. At 4 minutes, another bell will chime and the time is up and we will need to move forward. Please note that the board will not hear any comments regarding any individual district staff member. The Board has been assured by attorneys from two different organizations that this restriction is not a violation of the First Amendment within the jurisdictions of the 9th Circuit Court of Appeals and the State of Oregon. Citizens are welcome to submit their comments and complaints about specific employees using the District's complaint procedures, which are posted on our website.
