ATTN: County Commissioners

Under ORS 198.345(1), the Secretary of State is required to notify the county board when a special district (as defined in ORS 198.110, 198.210 and 198.335) fails for three consecutive years to file the reports required by Municipal Audit Law (ORS Chapter 297 sections 297.435 and 297.465).

According to our records, the special district listed below has failed to file the required reports for three consecutive reporting periods: the years ending June 30, 2022; June 30, 2023; and June 30, 2024.

The county should initiate dissolution procedures as required under the provisions of ORS 198.335 to 198.365. Please advise us of any action you take. Should the county determine the district will comply with Municipal Audit Law, please work with the district on their plan and timeframe for compliance and notify our office of your arrangement. If this district is not recorded in your county and this letter was sent to you in error, please inform us at your earliest convenience.
