Hey Michael, I wanted to reach out as we are going to surplus the medic unit you guys were using. We had a tender go down so unfortunately this is on the sale list to help cover repair costs. We are asking 15k for it and I am having our electrician go through the charging system today. Just wanted to see if there was any interest from the college before it goes to auction.

Hope you are well!

Absolutely interested! I'm on break but will "work it" with the college. BTW OUR JUMPER is still in the rig.

Me · Jun 24, 2026 at 9:01 AM

Thanks for letting me know

Chad Lavallee [REDACTED] · Jun 24, 2026 at 9:02 AM

Copy. I will make sure it does not get taken. Thank you for the fast response

Absolutely - how quickly does the sale need to happen

Chad Lavallee [REDACTED] · Jun 24, 2026 at 9:09 AM

The surplus has to get approved by the board which I think they may do next tues. Not a huge hurry but if the college is interested I would prefer it go to you guys first. And we could peel logos etc if you purchase.

Chad Lavallee [REDACTED] · Jun 24, 2026 at 11:31 AM

May I borrow the ambulance this Friday morning? I'll bring it to campus to "show off" to my new Dean (Julie Downing retired).

I've been assured we have the funds

Absolutely

What time works for you in the morning or just want to leave me a key?

Chad Lavallee [REDACTED] · Jul 9, 2026 at 5:49 PM

I can just leave you a key. I will put it on the desk just inside the front door. Code to get in is [REDACTED] will run down in a bit to make sure its all good. Will just need to unplug and she will be ready!

Your ambulance is still here in Bend. I see the Board Resolution to sell the ambulance to us authorizes BM Mark Laucks to make the sale. Do you have his contact info? I think we are ready to purchase it! 🙌

Chad Lavallee [REDACTED] · Jul 15, 2026 at 3:41 PM

Sorry I missed your call. Teaching down in Louisiana. His contact is Mlaucks@afdist.org
