3. Authorization. By submitting the Agreement application, the signatory acknowledges, attests, and certifies individually and on behalf of the Resource Provider that they are a duly authorized representative of the Resource Provider, have been authorized by the Resource Provider to make all representations, attestations, and certifications contained in this Agreement, and are allowed to execute this Agreement on behalf of the Resource Provider. The Resource Provider acknowledges that it has read and agrees to all Terms and Conditions of this Agreement, including all applicable Appendices. The Resource Provider is bound by and shall comply with all requirements, specifications, terms and conditions contained and certifies that all training certificates, insurance documents, and licenses are authentic and valid, and that all Resources provided have met all training requirements. The Resource Provider shall furnish federal employee identification number or social security numbers with offer, acknowledges and certifies that they are not on any state or federal debarred or suspension lists, and acknowledges and certifies that all Resources submitted are not currently on a VIPR or National Agreement (excluding firefighting Crews) and will request removal of a Resource if and when an approved Resource is added to a VIPR or National Agreement. The Resource Provider acknowledges that company and Resource performance history, industry durability, and hourly rates offered may affect dispatch priority order of Resources.
